Brazilian Citizen

Permanent Resident of Canada

EDUCATION

PhD in Economics, University of British Columbia   2024 (expected)
MA in Economics, Fundação Getúlio Vargas (FGV-SP/EESP)   2018
BA in Economics, Universidade de São Paulo (FEA-USP)   2015

RELEVANT EXPERIENCE

Researching the effects of expected discrimination on job-seekers' behaviors   2022 - present
– Secured funding through grant applications for a complex field project in Rio de Janeiro, Brazil
– Developed partnerships with local NGOs, to be able to hire local staff and have sponsors in the community
– Designed baseline and follow-up surveys of job-seekers
– Designed experimental changes in job application procedures and information provision experiments
– Managed fieldwork, reaching a sample of over 2,000 job-seekers
– Analyzed data, created visualizations, and wrote an academic paper
– Wrote a policy report for the World Bank Blog

Researching signalling on social media   2022 - 2023
– Managed a team of 100+ RAs and volunteers to manually collect data on public figures Twitter
– Scraped Twitter data for over 20k public figures and conducted exploratory analysis using NLP techniques
– Co-designed and managed the launch of an online field experiment with over 10k participants

Research Assistant for Professor Matt Lowe (UBC)   July 2019 - Dec 2021
– Estimating the impact of a historical event (a religious revival) in Wales affected crime and birth rates
– Helped the Principal Investigator develop a statistical inference method appropriate to the setting
– Generated event study-style visualizations

Research Assistant for Professor Gautam Rao (Harvard)   Jan 2018 - Aug 2018
– Preparation of field surveys & organizing fieldwork
– Data analysis of the experimental results
– Prepared a policy report on early childhood education policies targeting Brazilian mayors

Research Assistant for B. Ferman and C. Pinto (FGV-SP/EESP)   July 2016 - Dec 2017
– Wrote Monte Carlo simulations for new statistical inference procedures

FIPE (Universidade de São Paulo), Intern   2013 and 2015
– Calculation of local price and economics activity indexes

GRANTS & AWARDS

Grant and project	Approx. value
CIDER Small Grants 2022, Stigma and Labor Supply	13,700.00 USD
